Humble representation from the Muslim Inhabitants of Kankanhelli Town.

****

Most Honoured Sir,

We, the Muslim inhabitants of Kankanhelli Town beg to appeal to your generous heart the following few lines for your kind, benign and sympathetic consideration and favourable orders,

The construction of the present Mosque in Kankanhalli Town has been completed at a total cost of about Rs 14,000/- to Rs 15,000/- which is a Khazri Institution.

The building is yet to be provided with compound wall and a cistern to store water as is done in other Mosques in the State. We humbly beg to represent that we are too poor to meet the expenditure for these two items of work, without which the purpose for which the building is intended for cannot be met.

We, therefore most humbly pray that your honour to kindly get these unique works done by Government in view of utter poverty and helplessness.

For which act of kindness, we shall ever pray for your Honour's long life and prosperity.

Kankanhelli Town;

I beg to remain, Most Honoured Sir,
Your most obedient and loyal subjects.

Sir,

With reference to your Memo No.1073/Muz. dated 9-2-1934 forwarding for report the petition of the Managing Committee of the Jumma Masjid at Kankanhalli praying for the assignment of land and a cash grant for completing the Masjid, I have the honor to state that Government have already sanctioned 5 acres of land at upset price to the institution in G.O. No. R.3783-84/LR.25-33-76 dated 26/27th January 1934.

2. As regards the building, grant to the extent of Rs.4000/- has already been made in the years 1924-25 and 1927-28. The Deputy Commissioner now submits an estimate for Rs.3450/- for the completion of the building. Excluding the establishment, tools and plant charges, a sum of Rs.3123/- has to be found, which it is not possible to do with the present reduced grant and increased demand from various institutions. The question can only be considered if the devotees contribute at least a moiety of the cost. In the alternative the estimate will have to be revised and only the most essential works sanctioned out of next year's grant.

3. A copy of the Deputy Commissioner's letter dated 6-2-1934 together with the enclosures is enclosed for reference.

I have the honor to be,

Sir,
